FARMERS LOOK HERE! MAKE YOUR OWN GUANO.

Shun these guano dealers and manufacture your own fertilizers. Most of the material is on your own farms and easy to be had, and the balance can be had at your nearest town.

One receipt for quickly manufacturing guano, far better than the spurious stuff sold by unscrupulous dealers, will be mailed to you on receipt of

ONE DOLLAR.

The directions are simple, no tools or apparatus needed besides what a farmer already has, and the cost does not exceed THREE DOLLARS per ton. Three hundred pounds put on an acre will make a better crop than any guano you can buy. Send your order and one dollar by mail, at my risk, with post-office plainly written, to
